- Contactless Access Control Solution

TANGO Series
Enhance customer engagement
- 15.6-inch ultra-slim touch screen
- Multiple system platform and OS for applications
- Award-winning design for flip-over display
- Extensive peripheral connectivity
- "Building block" modular enclosure

Windows · android 10 · intel · CE FC

SATURN Series
Create a connected experience
- 15-inch bezel-free and ultra slim touch screen
- Multiple system platform and OS for applications
- 3 optional foot stands for varied purposes
- Easy to swap storage device
- Color matching service
- Extensive peripheral connectivity

Windows · android 10 · intel · CE FC

ARC Series
Space-saving and all-in-one design
- Multiple system platform and OS for applications
- 15.6-inch ultra-slim touch screen
- Revolutionary flip-over display
- Semi-integrated thermal printer
- Modern and stylish design

Windows · android 10 · intel · CE FC

GLAMOR Series
Flexible design to fit various store settings
- Newest Intel® 11th gen. SoC processor
- 15-inch bezel-free touch screen
- Fully fan-less operating
- Slim, smart, and stylish mechanical design
- Ergonomic dual-hinge stand
- High-level water & dust resistance

Windows · android 10 · intel · CE FC

WONDER Series
Spend less for more values
- Newest Intel® Elkhart Lake SoC processor
- 15-inch bezel-free touch screen
- Water/dust proof front bezel
- Small footprint
- Well-organized cable management

Windows · android 10 · intel · CE FC

VIVA Series
Compelling package at an affordable price
- Newest Intel® Elkhart Lake SoC processor
- Easy access and swap SSD design
- Projected capacitive 10-point multi-touch
- Rugged aluminum die-casting enclosure
- Ultra slim and fan-less design

Windows · intel · CE FC

HiFive Series
Versatile, multi-purpose and secure fanless touchscreen terminal
- Intel® Celeron™ processor for Windows 10 IoT and Linux operating systems
- Ultra slim enclosure for modern commercial application
- Projected capacitive 10-Point Multi-Touch
- Table stand, wall mount, pole, embedding, customer-facing display, multitask for all application
- Supports extension modules for customer display, MSR

Windows · intel · CE FC

Mars Series
Multiple screen size self-service KIOSK
- 21.5"/23.8"/27"/32" True flat and full sealed front touch panel
- Modularized design for easy maintenance
- Longevity support for product lifetime
- Industrial grade power supply and power distribution board provide good power on sequence for system devices
- Wide range of peripherals in self-service applications such as 2D scanner, printer, RFID, NFC, Camera, MIC, Speaker and bracket for EMV payment devices

Windows · android 10 · intel · CE FC

Digital Signage DKS-2150
The Next Generation Digital Signage with Epidemic Prevention Function
- Hand hygiene + multimedia demonstration to upgrade epidemic prevention and marketing
- Facial recognition + precision temperature measurement with face mask detection supported
- Sanitizer sensor with multiple types of sanitizer supported
- 21.5" high definition panel + bezel resistant glass to create amazing visual effect
- Video + picture + marquee supported, and easy layout planning
- Ultra slim + high mobility derive from remarkable design

Thermal Printer / PR-7120
High-Speed Thermal Receipt Printer
- Front paper loading
- 2"/3" paper roll compatible
- Print speed up to 250mm/s
- Low-noise operation
- Status indicators
- Windows/ Linux/ OPOS/ JPOS driver
- 3-in-1 interface: USB, Serial, Ethernet

CE FC

Puzzle 1000
The platform that open up more business possibilities
- Cortex-A17 RK3288 Quad-core 1.6GHz
- Compact and space-saving
- Fan-free, noise-free
- Tailored to business-specific needs
- Wall mount support

android 10 · CE FC

Puzzle 2000
Desktop functionality with thin-client economy
- Intel® Celeron™ processor for Windows 10 IoT and Linux
- Rugged aluminum die-casting enclosure
- Low power consumption and Fan-less design & less internal cable
- Easy-Service design
- Wall mount support

Windows · intel · CE FC

Puzzle 4000
As powerful as a Tower PC, yet still compact
- Greater CPU and graphics performance
- Highly configurable
- Dual 4K UHD display support
- Advanced security and manageability
- Perfect for digital signage, kiosk, gaming machine, and more
- Wall mount support

Windows · intel · CE FC

Datavan Facelook Insight

Facelook Insight
Powerful attendance management system
- Quick search on entrance access details
- One-click to onboard devices
- Smart statistics for attendance
- Set alarm notification
- Remote control
